

**POST ISSUANCE COMPLIANCE POLICY**  
**Scarborough Sanitary District, Maine**

**Adopted: March 24, 2016**

The Scarborough Sanitary District, Maine (the “District”) issues tax-exempt bonds from time to time to finance various capital improvements. As an issuer of such tax-exempt bonds, the District is required by the Internal Revenue Code of 1986, as amended, (the “Code”) and regulations promulgated by the United States Treasury Department to take certain actions subsequent to the issuance of such bonds to ensure the continuing tax-exempt status of the bonds.

The District recognizes that compliance with applicable provisions of the Code and Treasury Regulations is an on-going process, necessary during the entire term of a bond issue, and is an integral component of the District’s overall debt-management responsibilities. These requirements apply equally to capital leases. Accordingly, the implementation of these requirements will require on-going monitoring and consultation with Bond Counsel.

*Issuance.*

The Board of Trustees shall approve the terms and structure of bonds issued by the District. Such bonds shall be issued in accordance with United States Treasury Department Regulations, the Internal Revenue Code of 1986, as amended, State statutes and the District’s Charter. Specific post-issuance compliance procedures are addressed below.

*General Procedures.*

The following guidelines will be used to monitor compliance with post-issuance requirements:

The Treasurer shall be responsible for assigning post-issuance responsibilities to other staff, Bond Counsel, the Financial Advisor, the Paying Agent and the Rebate Specialist, and shall utilize such other professional services as are necessary to ensure compliance with all post-issuance requirements.

2. The Treasurer shall verify that the following post-issuance actions have been taken on behalf of the District with respect to each issue of tax-exempt bonds:

The Treasurer shall contact a Rebate Specialist, as required, prior to the fifth anniversary of the date of issuance of each issue and each fifth anniversary thereafter until the obligation has matured to arrange for calculation of the rebate requirements, as needed, to be paid by the District. If any rebate is required to be paid to the IRS, the District Treasurer will file Form 8038-T, along with the required payment.
- g. Shall monitor the use of all financed facilities in order to determine whether private business uses of financed facilities have exceeded the de minimus limits set forth in Section 141(b) of the Code (generally a value or benefit equal to 10% of issue proceeds) that provide special legal entitlements to non-governmental persons.
- h. With the assistance of professional services as needed, shall ensure that any and all nonqualified bonds are remediated according to the requirements of the Code and relevant regulations.
